

The Brooklyn Hospital Center

Keeping Brooklyn healthy.

Attention All Patient Access and Reception Staff

PLEASE ASK ALL PATIENTS THE FOLLOWING TWO QUESTIONS

- 1) Have you traveled to Liberia, Guinea or Sierra Leone or had close contact with someone who recently traveled there and was ill?**
- 2) Do you have fever, cough, trouble breathing, muscle aches, abdominal pain, bleeding, headaches, rash vomiting or diarrhea?**

Please notify a supervisor if a patient answers YES to BOTH of these questions.

**Next, call the Infection Prevention and Control Department
Work Hours: (718) 250- 6999, 8792, 8731 or 6608**

**After Hours, please call the hospital main number
(718) 250-8000 and ask for the infection Preventionist on-call**
