A Publication for TBHC Physicians

Vol. 11 - February 2016

## Special Edition

### ***Congratulations to The Brooklyn Hospital Center's staff voted by Castle Connolly as Top Doctors for 2015!***

The Brooklyn Hospital Center proudly salutes our wonderful physicians who have been acknowledged as Top Doctors for 2015! TBHC is dedicated to *Keeping Brooklyn Healthy* and committed to providing quality healthcare to the greater New York area. Our focus is ensuring optimal patient care through the use of advanced technology, innovative medical and surgical treatments, and staff expertise. Please join me in saluting our colleagues!
