Events - Please Join Us

Neuroscience Center Reception - Join us for an informational reception for the newly created **TBHC Neuroscience Center on Monday, July 20, 2015 in Dining Room A between 11:00am - 12:30pm**. The Center is home to some of the most qualified and experienced neurosurgeons, neurologists, pain specialists, rehabilitation specialists, neuroradiologists, nurses and technicians in Brooklyn. The Center's comprehensive, interdisciplinary team provide treatments for all neurological issues, including brain and spine disorders, epilepsy, stroke as well as pain management. A tour of the Neurosciences Unit will take place after the event. To RSVP please contact Krisha R. Billini, Physician Relations Coordinator at [kreb9031@nyp.org](mailto:krb9031@nyp.org) or 718.250.6532.

New Physicians Meet & Greet - Please join Jonathan Weld, Interim President & CEO and Gary Stephens, MD, SVP & CMO for an informal lunch to welcome our new physicians on **Wednesday, July 22, 2015 between 11:30am - 12:30pm in the Physician Dining Room**. Please stop by and introduce yourself to our new physicians!

DSRIP Town Hall - TBHC is the hospital lead in Brooklyn for the Mount Sinai PPS and will be participating in innovative projects as part of DSRIP (Delivery System Reform Incentive Payment.) The projects will impact patient care in the inpatient, outpatient and community settings with the goal of reducing preventable admissions by 25% over 5 years. Please join TBHC leaders and representatives from the Mount Sinai PPS at the **DSRIP Town Hall on Thursday, July 23, 2015 between 3:00pm - 5:00pm in the Boardroom** to learn more about specific projects and implementation plans.

Announcements - Important News

Health Situation Room - The HSR is dedicated to serving The Brooklyn Hospital Center's mission of "Keeping Brooklyn healthy" by assessing population health and driving innovation. By this summer, the HSR team will launch a new interactive website that will engage you in visualization tools and epidemiology content to improve insight into Brooklyn's diverse neighborhoods and our different patient populations. ([Click here for an interview with Gary Stephens, MD on HSR](#))

Urgent Care Launch - The Brooklyn Hospital Center is proud to announce the opening of the new ModernMD urgent care sites that will be coming in September. Locations include: 68 Graham Ave, 1248 Fulton Street and 916 Flatbush Ave. Stay tuned for more information.

Most Wired Award - The Brooklyn Hospital Center was one of only fifteen hospitals in NYS to receive Hospitals & Health Networks' 'Most Wired' Award for 2015. The award recognizes the hospital's commitment to investment, infrastructure design, and direction for the TBHC wired network. Congratulations to all!
